Hi Jen-

I have a district case scheduled in Belchertown on 9/12/11, but they rarely go. Also, if I am on call, I'm guessing that I wouldn't be needed until the afternoon. I can always let the ADA in Belchertown know that I need to get on the stand in the morning if I am needed. I'll also check in with the ADA to get an idea what is going on with that case.

Hi Sonja - this matter is on for trial at the Fall River District Court on 9/12/11. ADA Pat Driscoll is handling the matter and had received your lab notes previously. Are you available on 9/12? We can always have you on call if that is easiest.
